

Linguistics The Journal of Recreational Linguistics

Word Ways

Volume 14, Number 1
February, 1981

The graphic consists of the words "Word Ways" repeated numerous times. The text is arranged in a complex, overlapping pattern that spirals inward from the top left towards the bottom right. The font size varies significantly, with larger instances at the periphery and smaller ones closer to the center. The orientation of the text also changes, following the curve of the spiral.
